**Servite**

Connect to Via

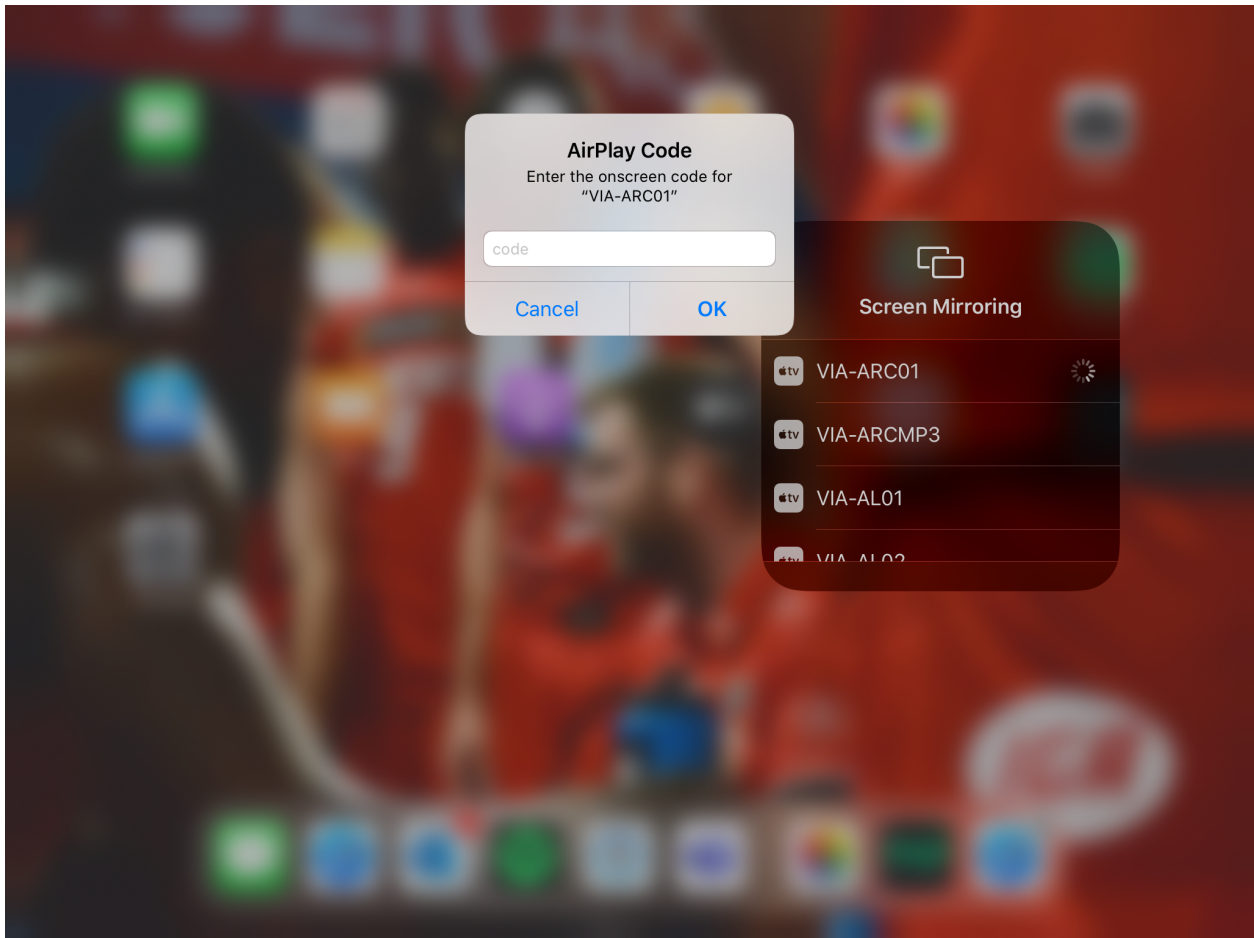

## RATIONALE

The purpose of this Guideline is to explain to staff and students how to connect to the VIA-GO systems located at Servite College.

LOCATIONS			
Arc	Alexis	Seven Holy Founders	Shanahan
Help Desk	AL00	FOYER	SH05
Front of Kitchen	AL01	Auditorium	SH06
Study	AL02	Gymnasium	SH07
ARC01	AL03		SH14
ARC02 - mobile	AL04		SH15
ARC03 – mobile	AL05		
ICT Office	AL06		
	ALO7		

## iPads and MacBooks

- To connect your IPAD to the VIA-GO you need to use **AIRPLAY**
- Swipe up from top right on your iPad or MacBook to get the screen mirroring option
- Find the room that you are in and select that room in your selection menu
- Enter the 4-digit code that is displayed on the bottom left of the screen

### Please Note

If you cannot connect to the via-go or locate the room, please turn off and on your WIFI by going to your settings app

## Windows Laptops and Surfaces

- To connect your surface to the VIA-GO you need to open a web browser and navigate to: [via.servite.wa.edu.au](http://via.servite.wa.edu.au)
- [Run or Download Via App](#)
- Once you have installed the APP you need to select the room that you are in and hit the join icon as displayed.
- Once you have selected the room you wish to join the below screen is displayed. Enter the code displayed in the bottom left corner of the TV and click on the Login button.

VIA  
KRAMER

Welcome to VIA !

Room Name

Nick Name

Code

Login

Room Name : VIA-ARCMPI  
Code : 3345

- Once you have logged in a banner will appear which looks like the images displayed below. Click in the present button.
